

9hr till 9 Endurance Race

As the 12hr was not going to be held this year the 9hr race was introduced to replace it. A field was located near Uckfield and the 12 hr committee got planning , track , water, layout, camping, logistics all had to arranged. The race was very succesfull and there were 29 teams with 85 drivers. A number of persons came to race control to pass on their congratulation for a job well done and that they very much enjoyed the event. It was good to hear.
