

British Championship

The season has now come to an end for 2024
The presentaion of the awards were made in the Troopers Inn pub
Saturday 5th October by our President Dean Fuller

Pos	No.	Name	Total
First	158	Jenson Cresswell	380
Second	123	Graham Tibbenham	356
Third	58	Michael Cresswell	338

Jenson has made terrific progress to win the championship for the first time and it even brings a smile to his face. Wiley old fox Mike has been training him well and we have seen his solid defense of Jenson on the track . Graham has had to give up his crown this year after the last two years of coming first.

Pos	No.	Name	Total
First	43	Dean Fuller	408
Second	8	Stuart Johnson	345
Third	18	Sean Tanswell	265

Yet again Dean takes the crown for 2024 again , dominating the races over the season , Stuart again second but not as close as last year as he missed a few events this time round . Lets see what 2025 brings ! Sean comes in third again, not having been able to attend all weekends.

Pos	No.	Name	Total
First	27	Alfie Smith	420
Second	66	Kenny Goodesmith	385
Third	63	Richard Atherton	241

The Alfie and Kenny show always entertains the crowd. The two drivers have fought it out on the track all season but yet again Alfie takes enough wins to hold the shield for the 4th time. Kenny just not able to topple Alfie off the top step and Richard driving well to take third.
